RESIDENTIAL DISABLED PARKING ZONE

General Information

- On-street parking in many neighborhoods is limited. All vehicles with a current registration have an equal opportunity to park in any legal on-street parking space. Therefore, disabled parking zones (blue zones) are only granted when extreme circumstances exist.
- All applications are individually evaluated. Primary consideration is given to applicants who DO NOT have driveways or garages.
- The disabled placard or license must be displayed in accordance with the State of California Vehicle Code (CVC) Section 22511.5.
- Daly City Ordinance No. 868 provides for the enforcement of the disabled parking zones. Any vehicle parked within a parking space which has been marked as a disabled person's parking zone (blue curb) without a valid placard or license plate is subject to the following:
 - a. A fine not exceeding fifty dollars (\$50.00) for the first violation of this ordinance;
 - b. A fine not exceeding one hundred dollars (\$100.00) for a second violation of this ordinance within one (1) year; and
 - c. A fine not exceeding two hundred fifty dollar (\$250.00) for each additional violation of this ordinance within one (1) year.
- Disabled placards issued with a "Temporary" designation as described in the CVC §22511.59 shall not qualify the applicant for a residential blue zone.
- Per the CVC §22511.58, submitting a Disabled Parking Zone Permit application allows the City of Daly City to request any information contained in a physician's certificate submitted to the DMV as part of the application for a disabled person's parking privileges, substantiating the disability of a person who has been issued a parking placard pursuant to CVC Section §22511.55.
- **THE DISABLED PARKING ZONE (BLUE ZONE) IS NOT FOR THE SOLE USE OF THE APPLICANT. ANY VEHICLE WITH A VALID DISABLED PLACARD LICENSE PLATE CAN ALSO USE THE DISABLED PARKING ZONE.**
