The officers asked for the suspect’s consent to search his person and backpack, and the subject granted permission. The officers found a large metal machete, two glass pipes and a small plastic bag containing a white crystal substance—methamphetamine. The subject refused to provide a statement, and **Officer Risslen** cited the 33-year old transient subject for possession of a controlled substance, possession of drug paraphernalia, and possession of a dirk or a dagger.

On Friday, 03-19-21 at 11:03 p.m., a 25-year old Daly City resident was arrested for driving under the influence of alcohol after she was involved in a collision with two parked cars at **Hillside Boulevard** and **Cottonwood Drive**.

On Saturday, 03-20-21 at 10:32 p.m., **Officer Greene** was driving a marked patrol car on northbound **Highway 1** from **Highway 35** when a Dodge Ram pickup quickly changed lanes directly in front of **Officer Greene's** vehicle. The pickup was within five feet of the front bumper of the patrol car. **Officer Greene** conducted a traffic stop of the vehicle, and the driver explained his abrupt lane change was an attempt to let him know that he (**Officer Greene**) was driving in his blind spot. The officer explained to the subject that he could have either sped up or applied his brakes to avoid him being in his blind spot. The vehicle registration was expired in February 2020. The 59-year old driver, an El Granada resident, was on probation for driving under the influence and was subject to search/seizure and compliance checks. **Officer Greene** asked the subject if he had anything illegal on his person, and the subject said he did not. **Officer Premenko** arrived to assist, and **Officer Greene** searched the subject's vehicle and found two glass pipes and a pill bottle containing 24 oxycodone hydrochloride pills, for which the subject did not have a prescription. **Officer Greene** cited the subject for possession of narcotics and paraphernalia.

The 30-year old victim said he and his girlfriend were standing outside their residence when they heard "grinding" noises. The victim interrupted a subject who was tampering with a vehicle and said the suspect got into a Dodge Dakota. The victim said he used his cellphone and started filming the subject in the vehicle. The vehicle backed out of the parking spot, did multiple turns to turn around and drove into the victim, striking the victim's lower right side of his abdomen, right knee, and right forearm. This investigation is continuing.

Recognizing these objects are commonly used to ingest controlled substances, **Officer Dolan** brought the subject to the station to conduct a series of tests to determine if the subject was under the influence. The subject admitted to using both fentanyl and methamphetamine and couldn't remember which one he recently used. **Officer Dolan** booked the 22-year old transient subject in jail for being under the influence of a controlled substance and for possession of narcotics paraphernalia.

## **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
