When I mention “the unit block” of a street, this means the incident occurred at an address anywhere between 1 and 99 of the street.

Notable Cases

On Monday, 07-19-21 at approximately 12:03 a.m., a 38-year old Daly City resident (victim) called 911 saying there was blood everywhere. Officers were dispatched to the unit block of **Mariner Lane** where the dispatchers said the subject was involved in a mutual fight with a friend and was bleeding from his neck. **Officer Arguelles** assisted in applying pressure to the victim’s laceration and kept talking to the victim until fire personnel arrived. The victim was transported to hospital to be treated. Later in the afternoon, detectives arrested the victim’s 23-year old neighbor for attempted murder.

On Tuesday, 07-20-21 at 9:55 a.m., officers were dispatched to the **Dollar Tree** store on **Mission Street** on a report of a just-occurred brandishing of a knife. The dispatcher gave a description of the subject and said he was last seen getting on a northbound MUNI bus. The reporting party said she noticed the subject when he entered the store because he walked in unmasked and was coughing. The manager asked the subject to put the merchandise down and leave the store. The subject told the manager that he was not going anywhere and threatened to stab her. About 20 minutes later, officers found the subject at **Mission Street** and **Hillcrest Drive**. After the victim/manager positively identified the subject, officers arrested the subject, a 51-year old San Francisco resident, for robbery, possession of controlled substance paraphernalia and for an outstanding no-bail parolee at-large warrant.

The officers looked through the subject’s flip phone, but they could not find any phone numbers to call. The subject had an identification card with an address in Redwood City, and the officers were able to get a hold of the subject’s son who told them that his father lived with his brother in Oakley. The officers contacted the other son to pick up his father at the police

station. They also contacted the Adult Protective Services in Contra Costa County. The subject was in good physical health and was happy.

On Friday, 07-23-21 at 12:05 p.m., officers were dispatched to the area of **Geneva Avenue** and **Castillo Street** on a report of a subject sitting inside of the reporting party's parked vehicle. The officers woke up the subject who was in the passenger seat. They smelled a strong odor of alcohol and saw that the subject had urinated on himself. Nextdoor.com

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! www.nextdoor.com
