### Notable Cases

On Tuesday, 12-14-21, at approximately 7:55 p.m., **Officer Fulmore** was on patrol and pulled over a vehicle with no license plates. The vehicle was occupied by a driver, who appeared to be nervous, and a front passenger. **Officer Fulmore** noticed a beige firearm on the floorboard between the driver’s legs. He asked the driver whether the gun was real, and the driver stated, “Yes, sir.” **Officer Fulmore** searched the vehicle and found the following: a beige polymer 80 .40-caliber handgun with an extended Glock magazine with no serial numbers (ghost gun), clear plastic bags containing Adderall pills and cocaine, and ammunition. The driver was arrested and booked into jail for various narcotic and weapon offenses. San Mateo County deputies located a clear plastic bag inside the driver’s socks at the jail, so an additional charge of bringing contraband into the jail was added.

## **Nextdoor.com**

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access to a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! [www.nextdoor.com](http://www.nextdoor.com)
