On Thursday, 06-30-22, at approximately 8:14 p.m., while **Officer Fulmore** was at the **Serramonte Shopping Center**, he was flagged down by a male stating that someone in a black Tesla had pulled a gun on him. The male provided the license plate of the Tesla, said that it was parked in the front aisle in front of Dave & Buster’s, and then left. **Officer Fulmore** located the Tesla, followed it to an area with no storefronts, nor pedestrians, and effected an investigative stop. The driver was asked to exit the vehicle, and he had a black satchel wrapped around his chest. **Officer Fulmore** asked the suspect to place the satchel on the ground. Upon examination of the satchel, there was an empty gun holster inside. **Officer Fulmore** believed there was possibly a firearm in the car and asked **Officer Arguelles** and his firearms detection canine to conduct a search of the vehicle. A handgun was located under the driver’s seat. **Officer Fulmore** looked inside the satchel again and found a silver magazine loaded with ammunition. Nextdoor.com

Nextdoor.com is a free private social networking website for your neighborhood. This private network ensures that only those who live in your neighborhood can join; users must go through a verification process. Neighbors ask each other for business recommendations; help in locating missing pets; discuss relevant local government issues; or connect for other reasons. It is very easy to sign up. I like the fact that the site verifies users by addresses, and it won't allow people to access a neighborhood if they don't live there. Please note: The City of Daly City and/or the Police Department cannot see what residents post—we are only allowed to post information. There is also a mobile application, or you can have it sent to your e-mail. Give it a try! www.nextdoor.com
