As part of this Reorganization, Juslyn C. Manalo was selected Mayor for a one-year term and had the honor of being sworn in by the State of California’s Attorney General Rob Bonta.*

*“I am humbled and honored to have had the opportunity to be sworn in by Attorney General Rob Bonta, fierce advocate for California,” said Mayor Juslyn C. I take this role seriously and am dedicated to serving each and every one of you this coming year. I remain committed to prioritizing affordable housing (building and sustaining more rental and ownership opportunities), public safety, youth development and senior services, healthy neighborhoods, improved parks, and the intentional reimagining of public services in all facets of local government towards social justice and equity.”*

*“I also want to take this opportunity to congratulate Dr. Roderick Daus-Magbual on being elected as the Vice Mayor,” continued Mayor Juslyn C. Manalo. “It was beautiful to witness Dr. Rod being sworn in by his daughter, Amianan.”*

At the Regular Meeting held that same evening, the City Council of the City of Daly City unanimously approved the execution of an agreement with Magical Bridge Foundation for a Magical Bridge Playground at Hillside Park.
